Entrepreneurship and Executive Education

Sustainable business growth and success comes from opportunity recognition and innovation. Companies benefit when all employees can recognize and evaluate opportunities. Innovation includes novel and creative ways to create value through new products or services, new business models or new processes.

The College of Business

Developing and preparing the entrepreneurial leader by instilling business acumen and integrity for entering the global workforce.

HUSSON
UNIVERSITY

Husson University's

MAINE EMPLOYERS' INITIATIVE PARTNERSHIP PROGRAM

HUSSON
UNIVERSITY

COLLEGE OF
BUSINESS

A Leader in Experiential Learning

Partnership Program

The College of Business at Husson University has created a unique new program for The Maine Development Foundation's Maine Employers' Initiative. The "Partnership Program" is a three-tiered, value-driven frequency awards program designed to benefit businesses and their employees. Silver, gold, and platinum partnership provide incentive discounts and credit rewards to participating members of the Maine Development Foundation's Maine Employers' Initiative (www.mdf.org/mei_overview.php) Each level of participation is described in the "benefits" section of this brochure.

Internship Program

The Internship Program at the College of Business offers students experiential learning through spending a semester working as an intern with an industry leader in the student's area of business interest. Students gain experience in real-world professional practice while still under the mentorship of their faculty supervisor.

We are currently seeking internships in:

- accounting
- business administration
- criminal justice
- forensic science
- hospitality and tourism
- information technology
- paralegal studies
- sport management

Benefits

The College of Business is pleased to provide our partners in education with a three-tiered program which provides incremental "value" based on enrollments. The "levels" are:

Silver Partnership (under 10 students)

- 5% credit for all first new degree seeking students from a MDF member, plus
- One \$500 credit in the organizations/members accounts at the Internship Investment Bank with the first paid internship for a Husson student, plus
- 10% off certificate program offerings

Gold Partnership (10 to 19 students)

- 10% credit for tuition new degree seeking students from an MDF member with a 75% plus reimbursement policy, plus
- Two \$500 credits (\$1000) in the member's account at the Internship Investment Bank for two new paid internships for Husson students, plus
- 20% off certificate program offerings.

Platinum Partnership (20 or more students)

- 15% off tuition for new degree seeking students from a MDF member with 100% tuition reimbursement policy
- Three \$500 credits (\$1500) in the member's account at the Internship Investment Bank for three paid new internships for Husson students, plus
- 25% off certificate program offerings

Partnership Program Definitions and Notes

1. The term of this program is 60 months for the purpose of accumulating degree-seeking students and related benefits.
2. Husson University and the College of Business reserve the right to modify or terminate the program at any time with a six-month notice.
3. The benefits also apply for the spouse of the employee if the spouse is covered under the MDF Members' Tuition Reimbursement Program.

Options

The College of Business offers undergraduate degrees within four different schools, as well as a general MBA, MBAs with concentrations in Health Care Management, Hospitality Management, and Non-Profit Management, and a Master of Science in Criminal Justice Administration.

Courses may be taken online or in classroom settings. Some courses are also offered in the evenings and on weekends.
